FLOW CONTROL VALVES

Model [Model No.]	Maximum operating pressure MPa {kgf/cm ² }	Maximum flow rate L/min										Page	
		1	5	10	50	100	500	1000					
Flow control valve [SF]	7 {70}	02											F-3
Flow control valve Flow control valve with check valve [JF(C)]	21 {210}	02											F-5
Compact throttle valve with check valve [TSC]	7 {70}	G01											F-8
		T01											
Throttle valve [ST]	7 {70}	02											F-10
Throttle valve Throttle valve with check valve [HDFT(C)]	21 {210}	03											F-12
		06											
		10											
		16											
Throttle valve with rotary type deceleration valve [SFD]	5 {50}	02											F-16
		03
