

# L

## OIL COOLING EQUIPMENT

### ● Oil cooling unit, inverter controlled chiller

Product name	Model name	Range of cooling capacity at standard point kW													Page		
		0	1	2	3	4	5	6	7	8	9	15					
AKZ9 Series Circulation type oil cooling unit for machine tool spindles	AKZ149	Operation at 50 Hz		Operation at 60 Hz													L-3
	AKZ329	Operation at 50 Hz		Operation at 60 Hz													
	AKZ439	Operation at 50 Hz		Operation at 60 Hz													
	AKZ569	Operation at 50 Hz		Operation at 60 Hz													
	AKZ909	Operation at 50 Hz		Operation at 60 Hz													
	AKJ189	Operation at 50 Hz		Operation at 60 Hz													
AKJ359	Operation at 50 Hz		Operation at 60 Hz														
AKJ459	Operation at 50 Hz		Operation at 60 Hz														
AKJ569	Operation at 50 Hz		Operation at 60 Hz														
AKJ909	Operation at 50 Hz		Operation at 60 Hz														
AKJ1509	Operation at 50 Hz		Operation at 60 Hz														
AKJ9W Series Immersion type for cooling coolant, water cooled condenser type oil cooling unit	AKJ569W	Operation at 50 Hz		Operation at 60 Hz												L-26	
	AKJ909W	Operation at 50 Hz		Operation at 60 Hz													
AKC9 Series Circulation type oil cooling unit for coolant	AKC359	Operation at 50 Hz		Operation at 60 Hz												L-30	
	AKC569	Operation at 50 Hz		Operation at 60 Hz													
AKW9 Series Inverter controlled chiller	AKW149	Operation at 50 Hz		Operation at 60 Hz												L-34	
	AKW329	Operation at 50 Hz		Operation at 60 Hz													
	AKW439	Operation at 50 Hz		Operation at 60 Hz													
	AKW189	Operation at 50 Hz		Operation at 60 Hz													
	AKW359	Operation at 50 Hz		Operation at 60 Hz													
	AKW459	Operation at 50 Hz		Operation at 60 Hz													
	AKW569	Operation at 50 Hz		Operation at 60 Hz													
	AKW909	Operation at 50 Hz		Operation at 60 Hz													

### ● LT cooler (Water-cooled type)

Product name	Model name	Range of cooling capacity kW										Page	
		1	2	3	4	5	10	100					
LT cooler	LT0403	1		3									L-54
	LT0504	2		4									
	LT0707	3		6									
	LT1010	4		8									
	LT1515	5		12									
	LT2020	6		16									
	LT3030	8		24									
	LT5060	12		40
